

DEPARTMENT OF HEALTH

NOTICE OF FINAL RULEMAKING

The Director of the Department of Health pursuant to the authority set forth in § 6(c) of the District of Columbia Smoking Restriction Act of 1979, effective September 28, 1979 (D.C. Law 3-22; D.C. Official Code, § 7-1705(c) (2001)), § 4921 of the Department of Health Functions Clarification Act of 2001, effective October 3, 2001 (D.C. Law 14-28; D.C. Official Code § 7-747(2006 Supp.)), and Mayor's Order 2007-63, dated March 8, 2007, hereby gives notice of the adoption of the following amendments to Title 20, Chapter 21 of the District of Columbia Municipal Regulations, (DCMR). The Director took final action to adopt this rule on October 23, 2007.

A Notice of Emergency Rulemaking was published on December 29, 2006, at 53 DCR 10340, which expired on April 14, 2007. A Notice of Proposed Rulemaking that differed from the content of the Notice of Emergency Rulemaking was published on December 14, 2006, at 53 DCR 9925. A Notice of Emergency and Proposed Rulemaking was published on April 6, 2007, at 54 DCR 3084, which was superseded by a Notice of Emergency and Proposed Rulemaking published April 27, 2007, at 54 DCR 3896 and expired on August 8, 2007. Each of the preceding notices had substantial differences. A proposed resolution to approve the emergency and proposed rules was introduced in the Council on April 28, 2007 as PR-229, the Smoking and Tobacco Control Regulations Approval Resolution of 2007. The resolution was deemed approved on September 28, 2007.

A Notice of Emergency Rulemaking was published July 20, 2007, at 54 DCR 6999. The Notice of Emergency Rulemaking was identical to the Notice of Emergency and Proposed Rulemaking published April 6, 2007, and was published only for the purpose of preventing a regulatory gap while the Council was on recess. The April 27, 2007, notice elicited one public comment that was generally favorable but offered suggestions for improvement and expansion of the smoking ban. The Director has taken the comments into consideration and decided to adopt the rule as originally published.

This rulemaking regulates smoking in places of employment and public places, specifies the requirements for eligibility for exemptions or waivers from the prohibition of smoking in public places and places of employment, and harmonizes the existing smoking rules with the requirements for signage under the Department of Health Functions Clarification Amendment Act of 2006, effective April 4, 2006 (D.C. Law 16-90; D.C. Official Code § 7-741 *et seq.* (2006 Supp.)). This rulemaking will become effective upon publication of this notice in the *D.C. Register*.
